

## STATEMENT OF PURPOSE

RS29248 / H0488

This legislation would give a taxpayer standing in a civil complaint against a public school or institution of higher learning if that entity fails to enforce Idaho Code 33-138 that prohibits them from compelling students to affirm critical race theory or discrimination in public education.

## FISCAL NOTE

There is no fiscal impact on the general fund or local governments. Any public school or institution of higher learning could be subject to a financial penalty if found in violation of this legislation.
